# 20 year warranty

Spaldin Sleep Systems Inc, guarantees that your Spaldin Mattress will be replaced or repaired at our option should it be deemed defective due to faulty workmanship or materials, subject to the limitations described in this warranty.

This limited warranty does not include a normal increase in softness of the Foam material which does not affect the qualities of the mattress.

This warranty covers any deterioration causing the mattress to have a visible indentation greater than two (2) inches that is not associated with a sag in the foundation or platform or adjustable base.

During the first ten (10) years of this warranty, Spaldin Sleep Systems will, at its option, repair or replace the mattress at a handling cost to be paid by the purchaser.

During years 11 through 20 of this warranty Spaldin Sleep Systems will, at its option, repair the mattress at a handling cost to purchaser, or replace the mattress at a prorated charge to purchaser plus transportation costs.

If the mattress is replaced during the eleventh year of this warranty, the prorated replacement charge purchaser pays will be fifty (50) percent of the original purchase price, and will increase after that by five (5) percent for each subsequent year of the prorated period.

If applicable, the ticking cover for the mattress is warranted for 2 years from the date of purchase against faults in material or workmanship. If Spaldin Sleep Systems replaces the cover for the mattress, it will be replaced with the current style of cover available for the mattress, which may be a different color or material than the original cover.

If the mattress, foundation, or cover is physically abused, damaged, burned, cut or torn, this warranty is void.

This warranty is valid only for the original purchaser of the product. An original purchaser is one who purchases the product directly from an authorized retailer of Spaldin Sleep Systems, as indicated in the original sales invoice and registration below. If purchaser is not the original purchaser of this product, he/she takes it "as is" and "with all faults." Proof of purchase will be required to demonstrate that purchaser is the original purchaser and eligible to make a valid claim under this warranty being original invoice the only acceptable proof of purchase.

This warranty gives the purchaser specific legal rights, and the purchaser may also have other rights, which may vary from state to state.

As part of the performance of the mattress, certain body conformity adaptations will take place as the mattress adapts to your particular body shape and any peculiarities in your spinal alignment.

A Spaldin Sleep Systems designated representative or agent shall make the final determination regarding repair or replacement.
